

invest in tuscany

Sharing experiences & methodologies for collection and analysis of foreign investments data

MoU RT/Joint Research Center

2023, April 20th

10:00am – 13:00pm

Regione Toscana

Piazza Duomo n. 10, Sala Azzurra

10.00am – 10.40am

Silvia Burzagli, Executive Director, EU Liaison Office, Tuscany Region

Event opening

Filippo Giabbani, Invest in Tuscany, Executive Director, International Affairs and Inward Investment, Tuscany Region

Presentation of Invest in Tuscany and the monitoring of Foreign Direct Investments (FDI) among the activities carried out by the International Affairs and Inward Investment Department of Tuscany Region

Marco Perrone, Invest in Tuscany, International Affairs and Inward Investment, Tuscany Region

Presentation of Invest in Tuscany database and the monitoring of Foreign Direct Investments (FDI) into Tuscany Region

Data collection objectives (informative):

Providing up-to-date data to regional political levels on the leading sectors, source countries and destination provinces;

Providing accurate and 'up-to-date' information to other public administrations and the press;

Providing prompt assistance and support to foreign investors (Invest in Tuscany's aftercare activity);

Updating the multinational database through a careful business intelligence analysis;

Exchanging data with the main international database providers in order to maximise the data consistency related to Tuscany Region.

10.40am-11.15am

Andrea Ciani, Maria Cillero Martinez, Jrc Team, European Commission

Brief presentation of the FDI data collection methodology developed by the Jrc team. Description of the quarterly analysis of non-EU foreign direct investments into EU countries carried out on behalf of DG Trade. Presentation of the work on global value chains and FDI

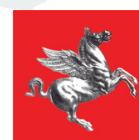

Data collection objectives:

Contributing to the development of a common data collection system among EU Member States for the FDI monitoring, with the aim of establishing a comprehensive framework of the different FDI screening systems and promoting the exchange of information as well as best practices among Member States;

Providing criteria for assessing the impact of FDI on security and public order.

11,15am – 11,30am

Coffee Break

Regione Toscana

invest in tuscan

11.30am – 12.50pm

Carlo Gianelle e Jorge Duran Laguna, European Commission, DG REGIO Department

Sara Pucci, Study Center, Confindustria Toscana

Giorgia Giovannetti, Vice President for International Relations and professor of International Economics, University of Florence

Discussion Themes

Cross-fertilisation of RT/JRC approaches and food for thought

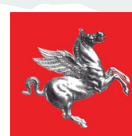

Possible candidacy of Tuscany Region with its experience in FDI monitoring and potential cooperation with DG Regio
